

Standon Meadows Score Event & Photo-guided Cross Country Run

Two activities are planned in the picturesque Rib valley in rural Hertfordshire.

A 45 minute score event on a brand new 1:7500 map of the meadows bordering the river Rib. The map is not large or technical but the route choices available and general time management should make an interesting score event.

For those wanting a different challenge there is an 8km cross country run with the route defined by a set of 50 annotated photographs. This is a very scenic run with fine views, crossing several fords, through ancient woods, a glimpse of Canary Wharf, through a stud farm and along a 1km tree lined disused railway line. There is also a 5km route, shorter but less scenic.

Date Wednesday 11 July

Start times 18:30 to 19:30

Event Centre Garden of the Star public house, High Street, Standon, Herts
SG11 1LB
OS TL39582226

Parking Limited space in pub car park otherwise on surrounding roads, there are no parking restrictions.

Cost £1 per Adult, 50p per Junior or Student, £1.50 per Family.

Directions The Star pub is opposite St Mary's church on Standon High Street, roughly 300m south of its junction with the A120. This junction is 1.6km East of the A10 and 13km West of the M11 junction 8. The cunning route is down the B1368 and through Puckeridge village.

Notes If you plan to do the score event please bring spare socks and shoes !

There are nettles in places so full leg cover is strongly recommended.

There may be a few cows in one field, they are very used to walkers and will ignore us completely.

There is an unavoidable initial 200m run along an access road to a handful of cottages. There is negligible traffic but young juniors should be accompanied on this section.
