CSC, Scotland (DW) - DW spoke about the club attending the CSC in Scotland. DW has proposed a travel/accommodation plan for the trip. HH on behalf of the committee has approved this plan. DW will send out some information to club members.

Trail O (DC) – TrailO Intro events will be run alongside ParkO. There are also some regional events coming up over the next 2 years. There will be TrailO at the British Champs and the JK. TrailO is good at helping with your map reading skills; running is not required which makes this event accessible for everyone.

Thank you to outgoing Chairman (JH) – Thanks was expressed on behalf of the committee and the club to HH as the outgoing Chairman and recognition of her tireless work for the club over the past 3 years, particularly the last 2 years which provided additional challenges for orienteers due to COVID restrictions and thank you to HH for supporting new initiatives within the club.
