Club

# JABBERWAOC

Vol.32 No. 2

April 2004

*And, as in uffish thought he stood,  
The Jabberwock, with eyes of flame,  
Came whiffling through the tulgey wood,  
And burred as it came!*

## **Editorial**

Since the last edition we have had the club AGM at which a few committee posts changed. On behalf of the club, I'd like to welcome Caroline Louth as our new chairman and Chris Morley as our new treasurer. The minutes of this meeting are included in this edition.

We've also had some important events such as the Compass Sport Cup, the British Champs and the East Anglian Champs and I've included reports on those.

Thanks to Bruce Marshall for this edition's puzzle, to Rolf for the article on the Grizzly and to Blanka Sengerova for acting as Jabberwooc photographer and providing me with many photos of WAOC members collecting their awards. I can't include them all unfortunately but well done to everyone.

Happy reading.

Julia Wotton

## ***Next Copy Date***

23<sup>rd</sup> May 2003

## **WAOC Membership Information**

### **NEW CLUB MEMBERS**

Welcome to:

Trevor and Tracy Nightingale, Jessica Whiffen W9 and Jasmin Whiffen W7	from Trumpington
Stewart and Sara Plant and Cameron M6	from Henlow
John Sutcliffe	from Cambridge

We hope that you will all enjoy orienteering with us.

Anne Duncumb (membership secretary)

## **Chairman's Chat**

The club is in very good heart as I take over from Neil Humphries. WAOC had an excellent performance at the CompassSport cup with strength on almost all the courses and came a good second to NOC. This was followed by the very wet and windy British Champs which I personally found very hard. At one point I was struggling even to walk up wind, let alone run. Although the scenery (between showers) was spectacular, perhaps I should stick to East Anglia. The Double Dumpling followed which included the EA championship. WAOC had another very good day - taking home no fewer than 12 trophies.

Meanwhile, the club has continued to put on events monthly through the winter and the summer SMILEs have got off to a very good start. We have shown that we can put on bigger events with the Yvette Baker Final and the Midland Night Championships. The Midweek Summer Gallopens are about to start. We have given training to juniors and Julia

is planning a senior training weekend. We are also thinking about training for mappers, whilst EAOA is putting on training for controllers.

Caroline Louth

## Captains Corner

### *COMPASS SPORT CUP*

NOC	WAOB	NOR	LEI
611	555	422	278

Well done everyone, what a fantastic result in the Compass Sport Cup! Super fast runs by lots of WAOB competitors pushed us into second place well ahead of our

friendly local rivals NOR. So we didn't beat NOC, but then they are a very strong club and actually won the whole competition last year. I must mention superb runs by Neil Northrop who won the mens open class and Edward Louth who won the MW14- class. Helen Gardner, who was running up, came second in the womens open class, and Chris Morley came second in M60+. Peter Gardner, Maureen Weldon, and Simon Gardner also made the podium finishing third in their class. Visit <http://homepage.ntlworld.com/roger.stenson2/CSC2004/> for full results. I was disappointed to miss the Compass Sport Cup competition myself, and I'd like to thank Peter Woods and family for being the club captains for the day. My absence was due to an unfortunate clash with the Grizzly fell race which I had signed up to many months ago. As it happens, you can read about the Grizzly somewhere else in Jabberwaoc.

### *BRITISH RELAY CHAMPIONSHIPS*

The closing date is fast approaching, so if you haven't already done so, let me know straight away if you would like to run in the British Relay Championships. The relays are on Monday **May 3** at Danby Lodge as the finale to the Triple O Severn Weekend in the Forest of Dean. There's a short race on the Saturday and a national event on Sunday to complete the long weekend of runnable forest and intricate contours.

### *THE HARVESTER*

This is your annual opportunity to go orienteering at 3am in the morning! The Harvester is a five or seven leg relay which starts in the dark at about 10pm and finishes in the light the following morning. About half of the legs are run in the dark, so the club owns a few powerful headlamps, while those who aren't out running try to get a few hours sleep back at the event campsite. It's all quite an experience as you may have read in August 2003 Jabberwaoc. This year the relays start on the night of Saturday **May 15** at Pippingford Park, East Sussex. Let me know before Sunday **April 25** if you are interested in running for WAOB.

Entries for relays are organised on a club basis, so you need to contact me [rolf@rolf.me.uk](mailto:rolf@rolf.me.uk) or 01223 569443 and provide your SI number, age class, and any relay preferences.

# Minutes of the WAOC Annual General Meeting

28<sup>th</sup> February 2004  
St Matthew's Church Hall  
Cambridge

**Present:** Martin and Edward Bailey, Bickle Family, Mark Collis, Janet and Jonathan Cronk, Rolf Crook, Anne and Peter Duncumb, Nicola, Helen and Simon Gardner, Humphries Family, Graham, Caroline, Edward, Sophie, Thomas and William Louth, Bruce and Maria Marshall, Tim Mulcahy, Fred and Marlene Northrop, Blanka, Jitka and Katrin Sengerova, Ian Smith, Woods Family, Julia Wotton

## 1) Apologies for absence

Don and Anne Braggins, Lindsay Freeman, Hally Hardie, Roger Horton, Luke and Alex Minshall, Ron and Ursula Oxburgh

## 2) Minutes of the last AGM 2003

The minutes of the last AGM were approved with the correction that Mark Collis was present (he had in fact seconded the election of the Treasurer).

Proposed: Caroline Louth, seconded: Graham Louth

## 3) Chairman's Report

Highlights from Neil Humphries report were:

### 1. Chasing Sprints

About 70 competitors took part in this year's Chasing Sprints event that proved another good event despite some vandalism.

### 2. Colour Coded Events

Despite the lack of a club Badge Event this year the colour coded events proved as successful as ever with around 70 competitors taking part in the Midland Champs Night Event organised by WAOC.

### 3. Yvette Baker Trophy Final

WAOC made the final of this closed junior event that proved great fun for all who took part. Neil recorded his thanks to all the WAOC participants and their parents who helped.

### 4. SMILE

The first ever summer programme of SMILE events proved a great success and different WAOC families kindly staged the events. These events are open to everyone but are primarily aimed at youngsters who wish run White, Yellow and Orange standard courses. There is a Score Event for the older competitors. The climax of the series took place at Fairlands Valley, Stevenage and thanks were recorded to all those who participated.

#### 5. Summer Galoppen Series

Thanks to the coordinating work by Rolf Crook a series of 12 Galoppen events were held this year with about 12 to 15 runners attending each event.

#### 6. Thetford Thrash

This year's proposed event at High Ash fell late victim to a clash with the shooting programme at the forest, but the event will be staged next year instead with the usual collaboration from CUOC.

#### 7. Mapping

Activity in this area has been intense over the past twelve months. To recognise the exceptional contribution to mapping made over the past years by Fred Northrop, now retiring as Mapping Officer, Neil reported how Fred had pioneered the use of laser printing for map production about five years ago. WAOC was one of the first clubs to experiment with this technology and Fred's initiative produced high quality maps that are now the norm in the sport. Many WAOC planners owe much to Fred for his patient and enduring assistance during his long term of office.

#### 8. Performances

- Very good club results were achieved at JK 2003 with 7 members placed in the top ten of their courses. WAOC performances were indeed more prominent at major competitions these days.
- The Harvester was great fun for WAOC runners and below par results were blamed on the marauding midges!
- The Peter Palmer Relays were unfortunately cancelled this year but will be promoted again next year for WAOC juniors.
- Helen Gardner once again gained exceptional achievements in the GB Junior Squad having represented her country when competing in Estonia. The accompanying British wet weather made Helen feel quite at home in the forests.
- WAOC was well represented in the EAOA Championships with a large crop of first places.
- Edward Louth continues to impress in the M14 class, finishing in 2nd at the Interland Championships.
- 

9. Neil reiterated that WAOC was now a strong club and was well positioned for an exciting future of even better results.

10. Finally, Neil acknowledged the work and support of his committee.

### **4) Acceptance of Accounts**

The annual accounts were presented by Caroline Louth who reported that they had been audited and approved by Richard Gibbens. The meeting approved the accounts as presented.

Proposed: Blanka Sengerova, seconded: Peter Woods

Caroline made the following points of clarification:

- The level of reserves was high but this year saw higher expenditure than income deliberately approved by the committee.

- The bi-annual Thetford Thrash is usually a major income provider but of course this year was no Badge event.
- A number of relay subsidies and training grants had been approved and awarded by the committee, as detailed in the accounts.
- Last year's training weekend was sadly cancelled due to lack of support and a small financial penalty was incurred.
- Mapping costs for the year had been unusually high.
- A number of trophies required engraving.
- EAOA levies had been modified.
- Club insurance had increased slightly.
- A new club tent had been purchased to replace the old dilapidated ones.
- The club's thanks to the auditor Richard Gibbens were recorded.

## 5) Awards and Presentations

### WAGAL Champions 2003

(full results are published at the end of this edition)

Junior men	1 Thomas Louth	2 Edward Louth	3 Simon Gardner
Junior women	1 Sophie Louth	2 Clare Woods	3 Katy Woods
Senior men	1 Rolf Crook	2 Ali Robertson	3 Ian Renfrew
Senior women	1 Julia Wotton	2 Blanka Sengerova	3 Kate Penny
Veteran men	1 Neil Humphries	2 Adrian Taylor	3 Michael Bickle
Veteran women	1 Ursula Oxburgh	2 Nicola Gardner	3 Sue Woods

*Junior Men (Simon, Thomas, Edward)*

*Junior Women (Katie, Clare, Sophie)*

*Veteran Women (Nicola, Sue)*

*Veteran Men (Mike, Neil)*

### **Summer Galoppen 2003**

Junior men	1 Peter Gardner	2 Simon Gardner	3 Edward Bailey
Junior women	no one in this class took part in more than one event		
Senior men	1 Rolf Crook	2 Marcus Misson	3 Russ Ladkin
Senior women	1 Julia Wotton	2 Blanka Sengerova	3 Kate Penny
Veteran man	1 Roger Horton	2 Maurice Hemingway	3 Ian Lawson
Veteran women	1 Hazel Bickle	2 Ursula Oxburgh	3 Maria Marshall

### **Juniors** - Colour coded badges

WHITE	Jonathon Cronk, James Firth, Thomas Norris, Alex Minshall, Chloe Parker Freeman
YELLOW	James Firth, Thomas Hemingway, Alex Minshall
ORANGE	Sophie Louth
GREEN	Edward Louth

### **Junior Progress**

Ed Bailey  
Rory Braggins  
Catherine Hemingway  
William Louth  
Miriam Norris  
Katrin Sengerova  
Katy Woods

### **Outstanding performances by Juniors in 2003**

**Helen Gardner** has been selected for the GB Junior Squad and has achieved the Championship level badge at W18; Helen represented Great Britain in the Junior World Orienteering Championships in Estonia and was 1<sup>st</sup> in Year 12 Girls at the 2003 British Schools championships.

**Edward Louth** was selected to run for the England in the Interland competition in February 2004 and came 2<sup>nd</sup> in the M14 class.

**James Firth** came 3<sup>rd</sup> in Year 6 Boys at the 2003 British Schools Championships

**Thomas Louth** was 3<sup>rd</sup> in M10A at the 2003 British Championships and has achieved the Championship level badge at M10

### East Anglian Champions 2003

W10	1	Alice Campbell	2	
M10	1	Thomas Louth	2	3 Duncan Taylor
W12	1	Sophie Louth	2	Katrina Taylor
M14	1	Jamie Taylor	2	Edward Louth
W16	1	Clare Woods		
W35	1	Julia Wotton		
M35	1	Robert Campbell		
W50	1	Lindsey Freeman		
M50	1	Richard Beard		
W70	1	Anne Duncumb		

### EAGAL Winners 2003

M10	Thomas Louth	M14	Edward Louth
M16	Simon Gardner	M21	Rolf Crook
M55	Mike Bickle		
W12	Sophie Louth	W16	Clare Woods
W21	Blanka Sengerova	W35	Julia Wotton
W50	Maria Marshall	W55	Maria Marshall

Neil Humphries presented the following Chairman's Awards:

The **Owl Award** for Outstanding Senior Performance was awarded to **Chris Morley** for his consistently high placings in competitions and regular representation of WAOC.

The **Tortoise Award** for Services To The Club was awarded to **Fred Northrop** for outstanding contributions to mapping over the past six years.

The **Chairman's Cup Award** for an outstanding Junior was awarded to **Clare Woods** who had excelled in team events and was a major contributor to JuniorJabber and the committee.

*Fred Northrop*

To commemorate the 30<sup>th</sup> anniversary of the club a **Hally Hardie Special Award** was presented to **Rolf Crook** for outstanding service to the club and the promotion and organisation of the Summer Galoppen Series.

## 6) Election of Officers

The following three principal officers were elected.

Chairman: Caroline Louth- Proposed Neil Humphries, seconded Anne Duncumb  
Treasurer: Chris Morley - Proposed Hazel Bickle, seconded Rolf Crook  
Secretary: Tim Mulcahy - Proposed Mike Bickle, seconded Julia Wotton

## 7) Any Other Business

- Blanka Sengerova conducted the Junior Club raffle.
- Anne Duncumb reported that Club O'Tops were available for sale and that Hally Hardie had kindly donated a number of hand-made wood carvings for sale for the Junior Club funds. These items were also on sale.

## WAOC Summer Galloppen 2004

Now that the evenings are long, it's time to start the WAOC Summer Galloppen, where we navigate through parkland under the setting sun. It's a series of orienteering events, of various genres, usually every fortnight on a Wednesday evening. Neither the organisers nor competitors take them too seriously – they are more about fun and participation - so why not come along. Starts are typically from 6:30pm to 7pm, but may be extended, or occasionally there is a mass start. Note that some of these events below are provisional, so if in any doubt you are advised to contact the organiser directly or the coordinator Rolf Crook. Individual event details and results will shortly be on the WAOC web page.

12 May	Port Holme, Huntingdon	TL239713	Hally Hardie
26 May	Wandlebury, SE of Cambridge	TL493533	Bruce Marshall
9 June	Coe Fen, Cambridge	TL446573	Blanka Sengerova
23 June	Cherry Hinton Hall, Cambridge	TL480564	Julia Wotton

We are looking for planner-organisers for a few galloppens in July, August and September. Contact coordinator Rolf Crook on [rolf@rolf.me.uk](mailto:rolf@rolf.me.uk) or 01223 569443.

The first Summer Galloppen 2004 is at Port Holme (south Huntingdon) which at 1 km wide is England's largest meadow. You can see from the photo that it's extremely runnable, but bring a compass as shallow isolated depressions mean accurate bearings are sometimes required. I'm sure Hally will recommend a pub for post-event route choice discussions and drinks.

See you there, Rolf.

## **Notice of Event - Mountain Navigation Challenge May 15/16th**

I became involved in this small event last year. As part of the winning team, it has fallen to me to organise the event this year. The event is a 2-day mountain marathon score competition for teams of two carrying their camping equipment with 7 hours available on the Saturday and 5 hours on the Sunday. It starts at 10am and aims to finish by 2pm on the Sunday to allow for driving home. There is a maximum entry of just 15 teams which keeps it fun but also with the element of competition at all levels. Cost is £8 per team. We will be using the Lake District Northern Fells and camping barn places are available at the start/finish.

For further details/entry contact

Russ Ladkin on 01223 501214 or e-mail [r.ladkin@bas.ac.uk](mailto:r.ladkin@bas.ac.uk).

## **Notice of East Anglian Orienteering Association Annual General Meeting**

The AGM will be held on Sunday 27th June 2004 at 12.30 following the Score Event at Warren Wood, Thetford. The agenda is as follows:

1. Apologies for absence
2. Minutes of the last meeting
3. Matters arising
4. Officers reports
  - Chairman
  - Secretary
  - Treasurer
  - Fixtures
  - SI equipment
  - Points East
  - Coaching
  - Junior Squad
5. Election of Officers listed above
6. Any other business

## **Puzzle Corner**

The last edition's puzzle was a word square dug out from club archives and originally produced by Catherine Carey. Catherine was quite a successful WAOC orienteer as a junior, but is one of those people who largely dropped out when she became an adult. She did e-mail Hally a couple of years ago saying she was trying to make a comeback - with a family - but he hasn't noticed her name in print yet. Her Dad was Basil Carey, for whom the Owl Trophy was presented. You'll probably remember he was knocked off his bike by a bus - and died of his injuries - during the week of his retirement from work. He was a prolific and active worker/orienteer for the Club back in the late '70s

There were just 3 entries - Mark Collis, Blanka Sengerova and Bruce Marshall. Bruce got 3 more than Mark with a total of 64. Perhaps it was a little unfair in that the list included now defunct clubs, which played to the hand of the longer serving orienteers. Congratulations Bruce.

The puzzle this time is provided by Bruce.

After a recent National event I asked three CUOC students how they had got on.

The first one of them told me that Jackie had won and Heather was second. I asked another and she said "Heather won, and Wendy came in second".

This didn't make sense to me until they told me they were students of Logic and that they alternated between telling the truth and fibbing.

So who finished first, second and third?

Please send your answers to Bruce Marshall ([bmarshall@iee.org](mailto:bmarshall@iee.org) or address in the membership list).

## Training

There has been some interest in a training weekend in the Lake District but not enough to make it worth my while booking chalet accommodation. I therefore propose to contact those who have shown an interest, agree a suitable date and book youth hostel accommodation for those that want it. If you are interested in joining us please contact me as soon as possible ([juliacarpenter\\_uk@yahoo.com](mailto:juliacarpenter_uk@yahoo.com)).

Julia Wotton

## Event Report – The British Championships

This year less than 20 people from WAOC attended the British Orienteering Championships. Perhaps it was rather too far to go for a weekend for many of you or perhaps you had a foreboding of the weather conditions! Getting there was a bit of a nightmare what with various sections of the A1 closed due to high sided vehicles having over-turned.

It seems like NEOA had nothing but problems trying to organise this event what with losing land permission at various times and car parking causing a problem. This caused the relays to be cancelled a while ago which must have been very frustrating for the planner. Note the relays have been moved to the May Bank holiday at the Triple O Severn weekend in the Forest of Dean. So I have to congratulate NEOA on making the success of the Saturday that it was.

The NEOA Chairman Patrick Smyth says .... "On Friday we were faced with one of the worst days we have seen on Simonside. Putting controls out in bad mist made me wonder how the juniors would cope! The news that both car park and assembly area were unusable made matters even worse.

I was confident on Friday night we had put something in place for a good weekend. Having a 10

minute diversion on the way up for fallen trees was a foretaste of the day. I am sorry we had to cancel the Sunday but once we realised we were pushing cars into the new car parking field it was clear it was just not possible. ...”

Simonside is largely open fell but with some forest. It does not have complex contour features requiring very fine map reading, but it does have a lot of rock and gully features requiring some navigational care. Apart from some patches of deep heather it is largely very runnable. There were not many controls in the wooded area due to the fact that much of it was made unusable due to recent winter gales.

I don't know whether it was better to have an early or late start. Initially it seemed very wet but when I ran there was a horrendous gale which blew me up one hill and caused me to go backwards when I had to head into the wind. People were clinging on to their maps, scared to open them up for fear of losing them. I used mine for protection at one point when I had hail/sleet pounding the side of my head. “We do this for fun?” I asked myself at this point. I can't say that I was enjoying myself at that point. The wind was so bad, the download tent blew down and the computers had to be moved to the back of a car. Many of the portaloos also blew down – I hope no one was in them at the time! Once back in the car with a change of dry clothes on, it all seemed quite fun and to finish it off we had the challenge of driving out of the car park through the mud hoping not to get stuck. Many people were spinning their wheels and going nowhere. As the Sunday event was cancelled, Rolf and I took the opportunity to do some sight seeing and visited the gardens at Alnwick and Hadrians wall and the fort at Housesteads before embarking on the long journey home.

The following WAOC members obtained Championship standards at this event:

M10A Thomas Louth  
W18A Helen Gardner  
M50L Richard Beard

For the elite there was a UK cup race in which Neil Northrop came a very impressive 3<sup>rd</sup>. Congratulations to you and to everyone who survived the event.

## Event Report – The East Anglian Championships

The East Anglian Championships were held in Thetford Forest on 29<sup>th</sup> March. There was a good turn out from WAOC of some 48 members and we took home a good proportion of the trophies. This was a new part of Thetford Forest. It had the usual Thetford forest type terrain that we are so familiar with but it also had an interesting area of ponds which were formed in the Ice Age and are called Pingos. This needed a bit more care in navigation. The following WAOC members are EA Champions for 2004:

M10 Thomas Louth  
M14 Edward Louth  
M16 Simon Gardner

W12 Sophie Louth  
W35 Julia Wotton  
W40 Caroline Louth

*Peter Gardner*

M20 Peter Gardner  
M21 Rolf Crook  
M35 Ian Renfrew  
M55 Malcolm Mann  
M70 Colin Curtis

W50 Lindsey Freeman

## **“It never rains at the Grizzly”**

One and a half thousand damp shivering runners crammed into a short stretch of the pebbly beach of Seaton in Devon. Those closest to the ocean were particularly damp as the Atlantic gale whipped the tops off the crashing waves and into the runners. The warmest person was the one in the deep-sea diving suit, who was in fact the same individual who took several days to walk the London Marathon last year. The diver was here to start the 19 mile race of bogs, pebbles, and hills, for this was the infamous Grizzly. Despite the wind and the rain, spirits were high as we ran through the streets of Seaton lined by cheery people. A sharp climb and sharper descent took us into the village of Beer, where a local band was playing some local music, and apparently competitors can enjoy a swift pint, but I didn't have time for that kind of thing. We ran out of Beer up a further sharp ascent then left the road in favour of a winding route over several miles of rather slippery fields with mud.

The previous day I had travelled to Sidmouth, near Seaton, with Julia Wotton and Tim Mulcahy who have both completed the Grizzly several times in the past. For some, it's becoming a bit of a tradition, always stopping at Stone Henge to eat prehistoric rock cakes and always returning to the same guest house with much the same banter between Clive and the landlady. Clive, for example, has been doing this for the past 10 years. The Grizzly can blur into a dream, conjuring memories of wondrous running through warm moss-lined forests full of friendly owls with views over golden beaches with a blue ocean where dolphins and penguins live. Somewhere where the hills never seem to go up, and when you run for 20 miles it hurts no more than a pint of foaming Adnams. During the week before the Grizzly I noticed that the weather forecast for the weekend kept deteriorating. I pointed this out to Julia but she assured me that “it never rains at the Grizzly”.

Back to the race. It was rather windy along the exposed headland, so I tucked in behind a fellow runner who seemed to be making a bit more progress than myself. Then we descended sharply into a valley and I viewed the water splash on the pebbly beach. Now I'd heard a lot about this water splash, including the dam building to ensure the water is sufficiently deep and the fence to ensure runners don't dodge round the side, but I definitely wasn't expecting to have to wade several metres through freezing water over my waste! At some point after the village of Branscombe where there was another band, the route again descended sharply into a valley and I viewed the bogs in the

forest. Now I'd heard a lot about these bogs, including the churning to ensure they are sufficiently deep and gloopy, but on this occasion they weren't too bad. It turned out that the subsequent route

was now shortened by three miles as the planned stretch of beach was in danger of flooding by the high spring tide, so instead we stayed on flat misty roads and farm tracks. We retraced our steps through Branscombe and the water splash but then continued along the pebbly beach which sapped strength like nothing else, and up a steep narrow path known as the stairway to heaven. I didn't get to heaven, but instead back onto the exposed headland where the wind was literally blowing runners off the path into the gorse bushes. The route followed the coast back to Seaton, past a bagpipe player warming up, and then to the much welcomed finish where fireman were on duty to massage our tired legs with water jets.

I'm convinced that there is no other race quite like the Grizzly. The terrain is so mixed that there just isn't time to worry about the running pain, and despite the terrible weather everyone I passed seemed so happy to see me, the old lady waving through her window, the spectator handing out jelly babies, the marshals shivering in the rain, the deep-sea diver, the numerous musicians, and of course, those friendly owls.

Rolf

Here are the results from our group. CUPRC is Cambridge University Press Running Club.

Rolf Crook 2:11:28 (WAO and CUPRC)  
Steve Presland 2:45:22 (CUPRC)  
Clive Baker 2:53:17 (NOR and CUPRC)  
Tim Mulcahy 2:57:09 (WAO and CUPRC)  
Helen Lloyd 3:01:17 (NOR)  
Steve Searle 3:07:14 (NOR)  
Julia Wotton 3:11:02 (WAO and CUPRC)  
Dave Bedford 3:25:51 (NOR)

course. [www.tvoc.org.uk](http://www.tvoc.org.uk)

# SMILE 2004

www.waoc.org.uk

## What is SMILE?

These are **SuMMer Introductory Low-key Events** and they will be held on either Saturday or Sunday mornings starting on Sunday 21 March 2004 and finishing on 18 July 2004. SMILE events will offer White, Yellow and Orange courses, and each one will be planned and organised by a different WAOC family. There will also be a timed score event to keep the more experienced busy.

SMILE events are aimed particularly at beginner orienteers and those juniors or seniors who need more practice at the three easiest courses. Please bring your non-orienteering friends and families along - we'll give them lots of help.

Date	Location	Organiser/Planner
Sun 21 March	Coe Fen, Cambridge <a href="#">TL447573</a>	Michael Firth
Sat 24 April	Bush Heath, Mildenhall <a href="#">TL726754</a>	Simon Gardner
Sun 6 June	Therfield Heath, Royston <a href="#">TL350405</a>	Peter Haynes
Sun 20 June	Hinchingsbrooke Park, Huntingdon <a href="#">TL221718</a>	Hemingway family
Sun 4 July	Rowney Warren, Shefford <a href="#">TL125405</a>	Neil & Martin Humphries
Sun 18 July	Wandlebury, South Cambridge <a href="#">TL492533</a>	Peter & Sue Woods

## Cost

The cost of a morning's orienteering will be just £1 and for this you can do as many courses as you can fit into the time available, so it is a really good chance to run your usual course really fast and then have a non-competitive go at the next harder one. (Adults Score course £2)

## Master Maps and Pin Punches

We shall be using a master map system with pin punching, partly to keep costs down but also to make the planning and organisation more simple.

## Smile League

We shall be running a SMILE LEAGUE, with an individual's four best competitive scores on one course counting towards their final score. SMILE LEAGUE winners will get trophies and again there will be LOTS of prizes.

## Smile League Cup

To be run at the Wandlebury event, still on White, Yellow and Orange courses. Details later, when we have worked them out.

## Prizes, Presentations and Party

These will all happen at the last SMILE event, at Wandlebury, Cambridge on Sunday 18 July, so write this date in your diary now and BE THERE.
