

Awards for WAOC AGM held on 22nd March 2025 for the Awards gained in 2024

WAOC Honorary Membership **Chris Morley**

Chris Morley has been an asset and ambassador for WAOC. He served as Treasurer from 2004 to 2007 and was WAOC Chairman from 2007 to 2010. Chris set the standard in these positions and has subsequently advised many later members taking these roles.

Chris began orienteering in Norway in 1976, joined CUOC when he returned to Cambridge in 1977, before joining WAOC in 1982. He has been a regular at events over the years and today most know him for his generous procurement of punts for WAOC's summer PuntO.

He was awarded the Owl Trophy for best senior performance in 2004 and 2006. Now he is facing knee replacement operations and all at WAOC wish him a speedy recovery and may even see him at future events.
